WHY A REUSABLE TUBE?

REUSABLE TUBE VS CARTRIDGE

HOW IT WORKS

TODAY

Recent **Supply Chain Disruptions** limits the availability of caulks and sealants

TOMORROW

Looming legislation against single-use plastic will add further disruptions

The Problem

The Solution

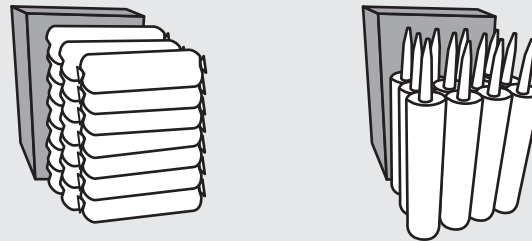

TOWER® Reusable Caulk Tube

Addresses both current and future supply chain challenges

Same-Size Carton

21 Sausage Packs VS 12 Cartridges

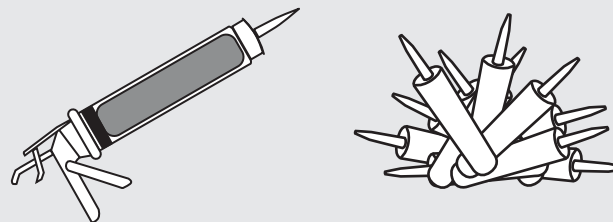

Waste Reduction

86.5 Cu/In Of Waste VS 576 Cu/In Of Waste

Reusable

100's Of Uses VS 1 Use

How to Load

Same Product - Same Application
The only difference is how you load the caulk gun!
